the Maharaja of Mysore subject to the conditions now in force or which may be prescribed in this behalf from time to time, subject to the condition that the said A.B., his heirs, personal representatives or assigns shall always be allowed to use free of charge any limestone, granite and ordinary minerals other than metals or coal or precious stones which may be found on or under the said land and which may be applied to the *bona fide* private use of the said A.B., his heirs, personal representatives or assigns and not removed for purposes of sale.

10. This title deed shall not be considered in any way to grant to or vest in the said A.B., his heirs, personal representatives or assigns the right to sandal trees which are hereby reserved to the Government of His Highness the Maharaja of Mysore, except in so far as the rules that are or may be framed in the matter of the grant of bonuses for such trees may permit.

11. The grant will be subject further generally to the provisions of the Land Revenue Code and the Rules thereunder or any other law for the time being in force.

Deputy Commissioner.

P. MAHADEVAYYA,
Secretary to Government,
Law Department.

GENERAL SECRETARIAT.

Sytematisation of Studies in Sanskrit Patasalas.

READ—

Correspondence ending with letter No. DI-7636-474 of 27-28, dated 22nd May 1930, from the Director of Public Instruction, submitting proposals for the systematisation of studies in the Sanskrit Patasalas in the State.

ORDER NO. D. 1858—EDN. 879-28-4, DATED 14TH AUGUST 1930.

At the birthday session of the Representative Assembly in 1923, a representation was made to Government that in the interest of Sanskrit studies, a graded series of examinations should be prescribed for all the aided Sanskrit Patasalas in the State. The Inspector-General of Education who was consulted in the matter intimated that a Committee had been appointed to go into the question in full. This Committee reported in December 1924, but for one reason or another, no action has been taken on its recommendations till now.

The report of the Committee has now been submitted to Government. In submitting it, the Director of Public Instruction states that it has been rendered obsolete in parts, and it has become necessary to review the proposals made therein in the light of subsequent developments, the chief of which is the formulation in the year 1928 of a continuous gradation of study from the primary stage right up to the Vidwat stage at the Sanskrit College at Bangalore. He adds that Mr. C. Venkatramanaiya, the Inspector of Sanskrit schools, who was directed to examine the working of the Patasalas and to suggest measures for their more efficient functioning, with a view to supply students for the Sanskrit Colleges which should be one of their chief functions, has also submitted his report. According to that report, the majority of the Patasalas at present have no systematic course of instruction or discipline and they just serve as coaching institutions for students preparing for the Middle or High School Examinations.

The Director of Public Instruction has carefully examined both the reports and has submitted detailed proposals for the improvement of Sanskrit Patasalas. His recommendations entail an additional recurring cost of Rs. 5,724 per annum in the shape of grants-in-aid.

Government regret they are unable at present to provide the funds required to give effect to all the proposals of the Director. But as a first step towards the improvement of the Patasalas, they are pleased to approve the following recommendations of the Director which do not involve any extra cost:—

1. A Sanskrit Patasala in receipt of a grant should provide a three year course in Sanskrit of the standarad prescribed for the Primary Department of the Chamarajendra Sanskrit College. It will confine itself to instruction in Sanskrit only, and not undertake work in the general subjects prescribed for the Primary Department of the Chamarajendra Sanskrit College.

2. The proficiency of the students from year to year should be gauged by the Inspector of Sanskrit Schools. At the end of the third year the proficiency of the candidates will be tested by their performance at the examination in Sanskrit prescribed for the students of the Chamarajendra Sanskrit College at the end of the third year primary course, which examination the former students should also be required to take.

3. The institution may also prepare candidates for the Kavya and Champu examinations of the Chamarajendra Sanskrit College wherever the staff is adequate and there is a probability of continuity of the classes. Government will deal with the other proposals of the Director when funds become available.

R. RANGA RAO,
General Secretary to Government.

Sri Subrahmanyaswami Temple Jatra at Ghati in Dodballapur Taluk.

READ—

Correspondence ending with letter No. C.3.L. 110—30-31, dated 22nd July 1930, from the Deputy Commissioner, Bangalore District, reporting that out of the allotment of Rs. 500 provided for the feeding of the Brahmins at the time of the Jatra at the Sri Subrahmanyaswami Temple at Ghati in Dodballapur Taluk, satisfactory arrangements had been made for feeding them on all the three days, *viz.*, the Rathotsavam day and the two following days as usual, that arrangements were also made for feeding the poor and the decrepit at a cost of Rs. 50, that a special conservancy staff was entertained at a cost of Rs. 150 to keep the temple and premises clean, that arrangements were also made for the opening of a Special Dispensary for men and a Veterinary Dispensary for cattle to check the spread of epidemic diseases and that there were no such diseases during the Jatra and everything went off well.

ORDER NO. L. 1526-30—L. B. 141-29-6, DATED 18TH AUGUST 1930.

Recorded.

R. RANGA RAO,
General Secretary to Government.
